Re: *Business Casual Holdings, LLC v. YouTube, LLC*  
1:21-cv-03610-JGK

Dear Judge Koeltl:

Plaintiff writes again, on the consent of defendants, to request what we very much hope will be a final two-week extension of time to move for leave to file an amended complaint, currently due today, to a revised date of July 6, 2022, again because of the health of plaintiff's principal, Mr. Edson, who was hospitalized early last week with a severe case of Covid. We attach documentation of this event with this letter.

We are certain the Court understands that as plaintiff, Business Casual has no interest in delaying these proceedings, and appreciate both defendants' courtesies and the Court's forbearance in this matter.

Respectfully submitted,

Ronald D. Coleman
